

## BUY, SELL, OR TRADE

In August, we will begin to pilot a Buy, Sell or Trade system for new or used assistive technology devices. The Iowa Educators Consortium will be adding assistive technology categories to the new Buy, Sell or Trade feature located on the IEC website.

We will initially be starting with listing augmentative communication, speech to text devices and a miscellaneous AT category. If you currently have these devices, which are not being used by students, please consider listing them on the IEC Website. The website address is: [www.iec-ia.org](http://www.iec-ia.org)

To list your items complete the online form by going to [www.iec-ia.org](http://www.iec-ia.org). Click on the "Buy, Sell and Trade" button located on the left side. Choose "Sell or Trade Item." Complete the form as directed. A photo can be included. Interested schools will contact you directly

Your participation will enable students in Iowa to receive assistive technology devices in a timely manner and assist you in recouping some of your initial costs.

Note: Categories will only be visible if an item is available for buy, sell or trade.
